Quick Guide to ITAC CFP Submission

1 Read the Applicant's Guide.

2 Use the online templates to prepare the proposal and company profile.

3 Read the Financial Guide to prepare the budget.

6 Record the proposal ID when you receive it and use it in any correspondences.

5 Submit the proposal package and register the application online.

4 Read the Applicant's Checklist carefully before submission.

7 If notified as shortlisted proposal, you will give a presentation in ITIDA.

8 Process presentation comments in final version of proposal.

9 Proceed to contract signing stage... Congratulations!
